(2) Reporting changes in student and school information. (Previous paragraph (g)(2) removed, paragraph (g) (3) redesignated as paragraph (g)(2) effective 10/27/08; 73 FR 55683)(Paragraph (g)(3) added effective 1/1/03; 67 FR 76256)

(i) Schools must update SEVIS with the current information within 21 days of a change in any of the information contained in paragraphs (f)(1) and (h)(3) of this section. (Revise effective 10/27/08; 73 FR 55683)

(ii) Schools are also required to report within 21 days any change of the information contained in paragraph (g)(1) or the occurrence of the following events: (Introductory text revised effective 10/27/08; 73 FR 55683)

(A) Any student who has failed to maintain status or complete his or her program;

(B) A change of the student's or dependent's legal name or U.S. address;

(C) Any student who has graduated early or prior to the program end date listed on SEVIS Form I-20;

(D) Any disciplinary action taken by the school against the student as a result of the student being convicted of a crime; and

(E) Any other notification request not covered by paragraph (g)(1) of this section made by DHS with respect to the current status of the student. (Revised effective 10/27/08; 73 FR 55683)

(F) For F-1 students authorized by USCIS to engage in a 17-month extension of OPT, (Added 4/8/08; 73 FR 18944)

(1) Any change that the student reports to the school concerning legal name, residential or mailing address, employer name, or employer address; and

(2) The end date of the student's employment reported by a former employer in accordance with § 214.2(f)(10)(ii)(C)(4).

(iii) Each term or session and no later than 30 days after the deadline for registering for classes, schools are required to report the following registration information:

(A) Whether the student has enrolled at the school, dropped below a full course of study without prior authorization by the DSO, or failed to enroll;

(B) The current address of each enrolled student; and

(C) The start date of the student's next session, term, semester, trimester, or quarter. For initial students, the start date is the "program start date" or "report date." (These terms are used interchangeably.) The DSO may choose a reasonable date to accommodate a student's need to be in attendance for required activities at the school prior to the actual start of classes when

determining the report date on the Form I-20. Such required activities may include, but are not limited to, research projects and orientation sessions. The DSO may not, however, indicate a report date more than 30 days prior to the start of classes. The next session start date is the start of classes for continuing students. (Revised effective 10/27/08; 73 FR 55683)

(D) Adjustment to the program completion date. Any factors that influence the student's progress toward program completion (e.g., deferred attendance, authorized drop below, program extension) must be reflected by making an adjustment updating the program completion date. (Added effective 10/27/08; 73 FR 55683)
